EDUCATION

Galgotias University <i>Bachelor of Computer Applications (BCA) – CGPA: 8.2</i>	Greater Noida, India 2024 – 2027
Woodland Academy <i>Intermediate (Class XII) – 62.4%</i>	Gorakhpur, India 2020
Saint Paul Public School <i>High School (Class X) – CGPA: 9.0</i>	India 2016

PROJECTS

AI-Based Smart Driver Monitoring System <i>Python, OpenCV, MediaPipe, NumPy</i>	2026
- Developed a real-time AI-based driver monitoring system using OpenCV and MediaPipe to detect driver drowsiness, head movement, gaze direction, and inattentiveness through facial landmark analysis. - Implemented Eye Aspect Ratio (EAR), gaze tracking, fatigue scoring, and audio alert mechanisms for real-time safety monitoring. - Designed modular architecture with separate detection, state management, logging, and audio handling components for improved scalability and maintainability. - Built real-time webcam-based monitoring with fatigue detection and alert prioritization using Python.	
VS Code Website Clone <i>HTML, CSS</i>	2025
- Developed a responsive clone of the VS Code landing page using HTML and CSS. - Implemented responsive layouts and modern frontend design practices.	
Zerodha Website Clone <i>HTML, CSS</i>	2025
Built a responsive frontend clone of Zerodha focusing on clean UI design and layout structuring.	

EXPERIENCE

Full Stack Web Development Intern <i>Eduzent</i>	2025 Greater Noida, India
- Worked on frontend and backend web development concepts and practical implementations. - Developed understanding of full-stack workflows, responsive web applications, and project structuring.	

TECHNICAL SKILLS

Languages: Python, C, C++, SQL, JavaScript, HTML/CSS
Frontend: Bootstrap, Responsive Web Design, Media Queries
Libraries / Frameworks: OpenCV, MediaPipe, NumPy, Pandas, Flask
Core Areas: Computer Vision, Real-Time Detection, Machine Learning Basics, Database Management
Developer Tools: GitHub, VS Code

CERTIFICATIONS

- NPTEL Certification in E-Business
- Oracle DBMS Certification

ACHIEVEMENTS

- Qualified Smart India Hackathon (SIH) Pre-Qualifier Round

LANGUAGES

English – Professional Proficiency
Hindi – Native Proficiency
